Supply of half-filled cylinders in Andhra Pradesh

2558. SHRI V. HANUMANTHA RAO: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) how does Government propose to deal with the problem of half-filled gas cylinders sold to consumers;

(b) the details of steps taken to deal with this menace;

(c) whether any action been taken against the erring dealers in Andhra Pradesh; and

(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) to (d) There are clearly laid down procedures to ensure correctness of the weight of LPG refill cylinders at the bottling plants. All filled cylinders are provided with pilfer-proof seal. All LPG dealers are under instructions to ensure checking of each and every cylinder for correct weight prior to delivery to customers' premises. As and when specific complaints about the sale of under-weight cylinders are received, the same are investigated in detail and if the complaints is established, appropriate action is taken against the distributor under the Marketing Discipline Guidelines and also by the State Governments through their Weights and Measures Departments. During the period April-December, 1994, one established complaint regarding supply of under-weight cylinder has been received in Andhra Pradesh. A letter of caution has been issued to the distributor. The cylinder has been replaced free of cost to the consumer.
